THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

6 April 1982

NOTE FOR: Admiral Inman

THROUGH : Harry Rowen

I have taken advantage of your invitation to Rich Armitage and Don Jones for lunch to schedule them for a one hour debriefing session with DDI analysts from 1100 to 1200. Rich has agreed to talk about Secretary Weinberger's trip, technology transfer to the PRC, and ASEAN defense strategy.

Both Rich and Don have been very helpful to CIA. We frequently sit in the same meetings downtown and have developed both good personal and working relationships.
